March 2005 charge in dispute:

On 9/20/00, when the case was originally filed, there were a total of 41 claims filed and we paid \$378.00 for the extra 21 claims. Also, there were a total of five independent claims filed and we paid \$156.00 for the extra two.

When the amendment was filed on 11/12/04, only 19 claims remained, but there were a total of 11 independent claims filed and we had previously paid for five. An additional fee for the six extra independent claims multiplied at a rate of \$88.00/ea should have totaled \$528.

We were incorrectly charged for nine extra independent claims in the amount of \$792.00, but should have only been charged for six extra independent claims totaling \$528.

Please credit our account \$264. My number is listed above please call me if you have any questions. Thank you.
